The Assumption of Mary, August 15th

The doctrine of the Assumption of Mary had its beginnings in the Byzantine Empire around the 6th century. An annual feast honoring Mary gradually grew into a commemoration of Mary's death called the Feast of Dormition ("falling asleep"). As the practice spread to the West, an emphasis was placed on Mary's resurrection and the glorification of Mary's body as well as her soul, and the name of the feast was thereby changed to the Assumption. It is still observed on August 15, as it was in the Middle Ages. The Assumption of Mary was made an official dogma of the Roman Catholic Church in 1950 by Pope Pius XII.

ALLOCUTIO

Sr. Sharon Reese-President, Houston Senatus
"We are all God's Children"

God is speaking to us "Let the Children come to Me".

Turn to Mary for guidance, to teach us, to cure our illness, to console us in our grief, to recall us when we wander. We are all God's children. God is speaking to us "Let the Children come first". Love, no matter what! We must think before we say something. We must think about our brothers and sisters. What is it that I need to do? The greatest commandment is Love. Children are suffering today, they need us to care for them and to pray for them.
